Wayyiqra (Leviticus 14:33-15:12)

Leviticus 14:33-57

33 And יהוה spoke to Mosheh and to Aharon, saying,

34 When you come into the land of Kena'an, which I am giving you as a possession, and I put a plague of leprosy in a house in the land of your possession,"

35 then shall the one who owns the house come and inform the priest, saying, 'It seems to me that there is some plague in the house.'

36 "And the priest shall command, and they shall empty the house, before the priest goes in to look at the plague, so that all that is in the house is not made unclean. And after that the priest goes in to look at the house.

37 And he shall look at the plague and see, if the plague is on the walls of the house with sunken places, greenish or reddish, which appear to be deep in the wall,"

38 then the priest shall go out of the house, to the door of the house, and shut up the house seven days.

39 "And the priest shall come again on the seventh day and look and see, if the plague has spread on the walls of the house,

40 then the priest shall command, and they shall remove the stones with the plague in them, and they shall throw them outside the city, into an unclean place,

41 while he lets the house be scraped inside, all around, and the dust that they scrape off they shall pour out in an unclean place outside the city.

42 "And they shall take other stones and put them in the place of those stones, and take other mortar and plaster the house.

43 "And if the plague comes back and breaks out in the house, after he has removed the stones, after he has scraped the house, and after it is plastered,

44 then the priest shall come and look and see, if the plague has spread in the house, it is an active leprosy in the house, it is unclean.

45 "And he shall break down the house, its stones, and its timber, and all the plaster of the house, and he shall bring them outside the city to an unclean place.

46 "And he who goes into the house, all the days while it is shut up, becomes unclean until evening.

47 "And he who lies down in the house has to wash his garments, and he who eats in the house has to wash his garments.

48 "However, if the priest indeed comes in and looks at it and sees that the plague has not spread in the house after the house was plastered, then the priest shall pronounce the house clean, because the plague is healed.

49 "And to cleanse the house, he shall take two birds, and cedar wood, and scarlet, and hyssop.

50 "And he shall slay one of the birds in an earthen vessel over running water,

51 and he shall take the cedar wood, and the hyssop, and the scarlet, and the live bird, and dip them in the blood of the slain bird and in the running water, and shall sprinkle the house seven times.

52 He shall thus cleanse the house with the blood of the bird and the running water and the live bird, and with the cedar wood, and with the hyssop, and with the scarlet,"

53 and he shall let the live bird loose outside the city in the open field, and shall make atonement for the house, and it shall be clean.

54 "This is the Torah for any infection of leprosy, and eruption,

55 and for leprosy of a garment, and of a house,

56 and for a swelling, and for a scab, and for a bright spot,

57 to teach when it is unclean and when it is clean. This is the Torah of leprosy."

Leviticus 15:1-12

1 And יהוה spoke to Mosheh and to Aharon, saying,

2 "Speak to the children of Yisra'el, and say to them, 'When any man has a discharge from his flesh, his discharge is unclean.

3 'And this is his uncleanness in regard to his discharge; whether his flesh runs with his discharge, or his flesh is stopped up by his discharge, it is his uncleanness.

4 'Any bed becomes unclean on which he who has the discharge lies, and any object on which he sits becomes unclean.

5 'And anyone who touches his bed has to wash his garments, and shall bathe in water, and be unclean until evening.

6 'And he who sits on any object on which he who has the discharge sat, has to wash his garments, and shall bathe in water, and be unclean until evening.

7 'And he who touches the flesh of him who has the discharge has to wash his garments, and shall bathe in water, and shall be unclean until evening.

8 'And when he who has the discharge spits on him who is clean, then he shall wash his garments, and shall bathe in water, and be unclean until evening.

9 'Any saddle on which he who has the discharge rides becomes unclean.

10 'And whoever touches any of that which was under him is unclean until evening. And he who is carrying them up has to wash his garments, and shall bathe in water, and be unclean until evening.

11 'And anyone whom he who has the discharge touches without rinsing his hands in water, shall wash his garments and bathe in water, and be unclean until evening.

12 'And the earthen vessel which he who has the discharge touches has to be broken, and every wooden vessel has to be rinsed in water.
