

Vaccination Exemption

I, _____ hereby assert my right to a religious exemption from vaccinations. I am a Yisra'elite (aka. Torah Observant Christian) who believes in The Scriptures. Our foundation is firmly rooted in Torah (Instructions of יהוה YHWY). I am objecting to vaccines because they violate יהוה (YHWY's) Torah and the principles laid out in His Scriptures. My body is a temple for the Set-Apart Spirit and I am not permitted to knowingly defile it.
